RAIDON

InTANK iT2775-S3

Internal JBOD Storage Module

RAIDON InTANK iT2775-S3 is an internal JBOD storage module with the same dimensions as a standard 3.5-inch SATA hard drive. It supports two 2.5-inch SATA hard drives or solid state drives (SSD). User can store the operating system and data files on different hard drives or solid state drives (SSD), or use iT2775 with a RAID card.

Since the dimension is the same as a standard 3.5-inch SATA hard drive, it allows user to install iT2775-S3 in environments with limited space such as mini servers, surveillance servers, 1U servers, email servers, and POS systems, helping you solve the need for larger storage capacity but with limited expansion space situation.
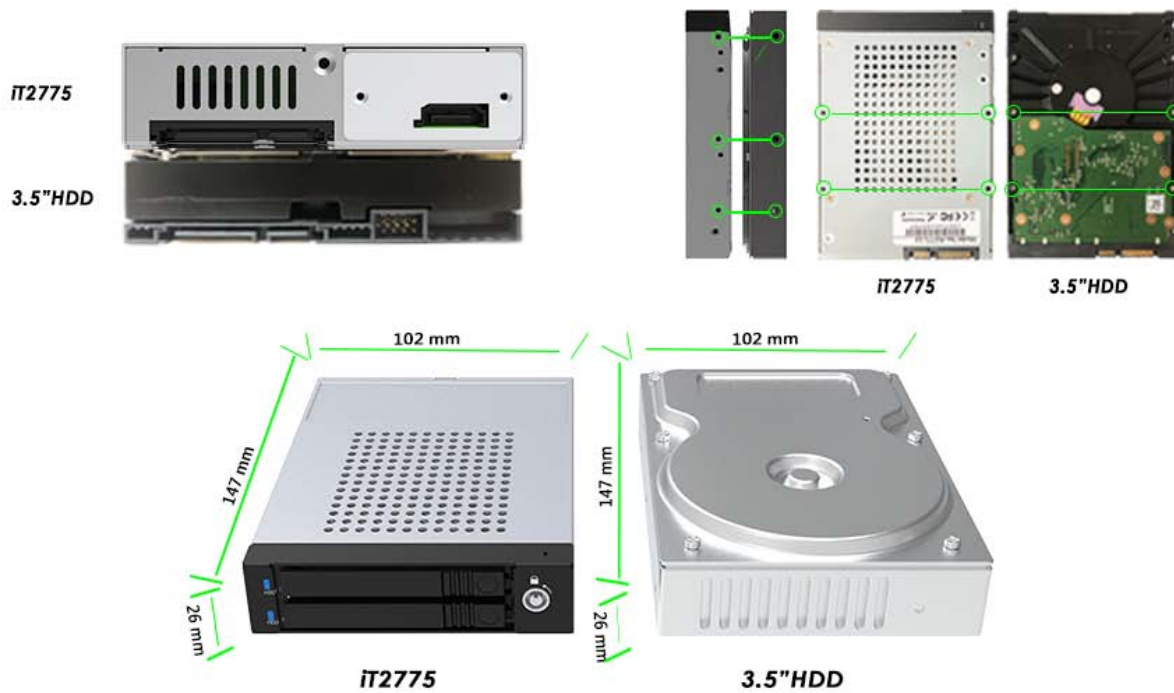

Easy-to-use Tray Module

RAIDON's easy-to-use disk tray module comes with lock the tray and secure the disk with screws. User can buy several disk tray modules and secured the disks first, once there is one disk in iT2775-S3 is failure, just replace the disk directly. It can greatly reduce the wait time for system maintenance.

Exact the Same Dimension as 3.5" SATA Drive

RAIDON iT2775-S3 internal RAID module supports SATA III 6.0 Gb/s host interface and SATA 15 pin power supply; the connector's location exactly as the same as a 3.5" hard drive. Thus, it is not necessary to install any other brackets but just install the iT2775-S3 inside to existing PC and then it will be upgraded.

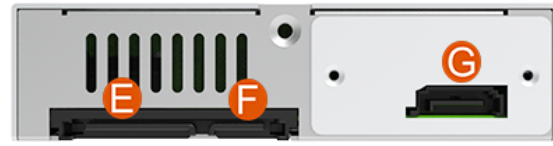

Fan-less, Excellent Ventilation Design

Overheat is one of the major problems to cause system failure, and causes a huge loss at the downtime period in the 24-hour full-automation production equipments. iT2775-S3 has an excellent ventilation design to help dissipating the heat generated from two HDD s/SSD s efficiently and reduces the loss caused by system downtime.

Product Appearance Description

A. HDD/SSD Tray & Tray Handle
B. Tray Key Lock & Push Open Button
C. HDD/SSD Access LED
D. Key Lcok

E. 15-pin Power Connectors
F. SATA Port
G. SATA Port

Interfaces	1 x SATA III (6Gbpa).
Compatible Drive	2 x 2.5" SATA III (6Gbps) Disk (HDD/SSD)
Certification	CE / FCC
RAID Mode	JBOD
Operating System Support	Windows, Linux
Size	Height: 26 mm Width: 102 mm Depth: 147 mm
Product Code	EAN: UPC:
Carton	32 pcs per carton
Package Accessories	1 x iT2775 2 x SATA Cable 1 x Accessory 1 x Quick Installation Guide
